Please note, if you arrive on the weekend, you will need to make your own dining arrangements. One thing to be aware of is that the Institute is a little distance from downtown Princeton, and the nearest restaurant is a walk of twenty-to-thirty minutes. If you don't wish to walk, you could call for a taxi to take you downtown where you can find a restaurant.

On the IAS campus, vending machines with soda and snacks are located at the bottom of the stairs on the lower level of Fuld Hall and in the laundry facility which is in the Activities Center in the middle of the campus housing.

LAUNDRY

Laundry facilities are available in the Activities Building in the Housing Complex. Laundry detergent is available for purchase in the dining hall. Please see the receptionist at the Fuld Hall reception desk in order to pre-load cash to your ID/Housing card for laundry machine use. A cash refund for any cash balance that exists on the card before you leave IAS is available from the Fuld Hall receptionist. Further information can be found here: <https://www.ias.edu/living-ias...>

ATM

There is an ATM cash machine in the basement of Fuld Hall (just downstairs from the receptionist office). The Institute does not charge a service charge at this machine but your financial institution might.
